

Roller Coaster Design Contest

Rules

1. The marble must be gently dropped onto the track to start it.
2. Only the adult helpers are allowed on the ladder.

Point System

3 points – complete upside down loop

2 points – turn in track

2 points – hill at least $\frac{1}{2}$ a meter stick high (starting hill does not count)

1 point – every yard the marble goes beyond the track

*You will only get points if the marble clears obstacles.
No points will be earned if the marble stalls on or before obstacles.
